Base de données en panel contenant les variables suivantes pour chaque paire de pays donateurs (23 pays) et pays récipiendaires (164 pays) de l'Aide Publique au développement, sur la période 1990 – 2010 :

Nom de la variable	*Label de la variable*	*Définition de la variable*
year	Year of observation	Data records information for the 1990 – 2010 period
recid	Recipient country identification number	Integer ranging from 1 to 184
recname	Recipient country name	Official recipient country name
donorid	Donor country identification number	Integer ranging from 1 to 33
donorname	Donor country name	Official donor country name
region	World region name - recipient	Region of the recipient country according to the World Bank classification
oda_disbursement	Total ODA disbursement (constant USD 2010)	Amount of Official Development Assistance (ODA) disbursed by donor country j to the benefit of recipient country i over the year of observation (in 2010 constant USD dollars)
infantmort_r	Infant mortality rate - recipient	Number of deaths of children under one year of age per 1000 live births in the recipient country
population_r	Population – recipient	Total population of the recipient country, which counts all residents regardless of legal status or citizenship – The values are midyear estimates.
fdiinflows_r	FDI inflows (constant USD 2010) - recipient	Amount of Foreign Direct Investments (FDI) inflows in recipient country (in 2010 constant USD dollars)
remittances_r	Remittances inflows (constant USD 2010) - recipient	Amount of money transfers by foreign workers (migrant) to recipient country (in 2010 constant USD dollars)
gdp_r	Gross Domestic Product (constant USD 2010) -	Sum of gross value added by all resident producers in the economy of the recipient country plus any product taxes minus any subsidies not included in the value of

	recipient	products (in 2010 constant USD dollars)
polrights_r	Index of political rights - recipient	Freedom House political rights rating of the recipient country on a scale from 1-7 (1: highest degree of freedom / 7: lowest level of freedom)
civlib_r	Index of political rights - recipient	Freedom House civil liberties rating of the recipient country on a scale from 1-7 (1: highest degree of freedom / 7: lowest level of freedom)
democracy_r	Index of democracy - recipient	Freedom House democracy rating of the recipient country on a scale from 0-14 (0: democratic regime / 7: Autocratic regime)
nbdisaster	Number of natural disasters in the year – recipient	Number of natural disasters (flood, drought, earthquake, storm, wildfire, extreme temperature, volcanos, insect invasion) registered during the year in the recipient country
population_d	Population – donor	Total population of the donor country, which counts all residents regardless of legal status or citizenship – The values are midyear estimates.
gdp_d	Gross Domestic Product (constant USD 2010) - donor	Sum of gross value added by all resident producers in the economy of the donor country plus any product taxes minus any subsidies not included in the value of products (in 2010 constant USD dollars)
colony	Former colony	Dummy variable indicating if a recipient country i is a former colony of donor country j (=1 if former colony)
distcap	Geodesic distance between capital cities	Geodesic distances between the capital of recipient country i and donor country j in kilometers
border	Common border	Dummy variable indicating if a recipient country i is sharing a common border with donor country j (=1 if common border)
comlang	Common language	Dummy variable indicating if a recipient country i is sharing a common (official) language with donor country j (=1 if common border)
imports	Imports of donor from recipient (constant million USD 2010)	Amount of imports of donor country j from recipient country i in 2010 constant millions of US dollars)
exports	Exports of donor to recipient (constant million USD 2010)	Amount of exports from donor country j to recipient country i (in 2010 constant millions of US dollars)
